

# N. C. WRECK DIVING

## Virginia Scuba

invites you and your dive buddies to join us this season for some unforgettable wreck diving. As always we have chartered a private vessel for our valued customers. With a maximum of only **6 divers** on board, you decide **where** you dive, **when** you dive, and how **long** you dive. No cattle boats for this dive shop! But, don't be fooled by the term "6-pack" the **Atlantis IV** is a 46 foot Carolina Sportfisherman with an 18 knot cruising speed! She comes fully loaded with comfort and safety in mind. There is plenty of gear space, an easy entry/exit point via walk thru transom, weighted lines and guidelines are placed on each dive for an easy ascent/decent/and safety stop. Atlantis IV has a climate-controlled cabin complete with heat, A/C, comfortable bunks, TV, VCR/DVD, fridge, microwave, 2 showers (one inside), and plenty of fresh hot and cold water. This is truly the best way to dive the Graveyard of the Atlantic.

Since one of your favorite Virginia Scuba staff will accompany you on each charter you can take this opportunity to advance your training to the next level.

Rates are based on double occupancy.

All excursions include 3 days of 2 tank boat diving, 3 nights hotel, and taxes, (unless otherwise noted). Not included in the charter fee is the cost of fuel (to be divided amongst divers on the final day of diving), tips for the crew, and meals. On dates when the van is available Virginia Scuba will provide transportation to and from NC while you sit back and sleep, watch a movie, or listen to XM Radio in our comfortable 8 passenger van.
